VON MUNTZ ROTTWEILERS

CHAMPIONS PRODUCING CHAMPIONS

North Florida Rottweiler Klub

Welcome to the URKA Inc. Breed Show and Southeast Regional Sieger Show!!!

Our goal is to offer a warm welcoming place for everyone who loves the Rottweiler to build friendships and share our knowledge for the betterment of the Rottweiler. We would like all participants to help each other and to be the finest examples of sportsmanship so that everyone can leave this venue with a positive experience.

We would like to thank our judges for coming to judge our shows and to offer all of us some of their vast amount of knowledge about Rottweilers. Please show our judges that true hospitality and warmth are a pivotal part of our Rottweiler world. There will be mobile food trucks on the premises throughout both days. Please visit them Lunch breaks will be at the judges' discretion. If you want to fish in the lakes, please be aware of critters/alligators in your immediate area. For this reason, no dogs are allowed in the lakes. Restrooms are located behind the show ring. Please keep your Rottweilers away from the show ring until they are ready to be shown. Please do not bring any dogs that are not entered in the class within 50 feet of the show ring. All dogs must be on a leash at all times when not crated. No tie-outs allowed. Please do not approach another dog without the owner's approval.

I hope that you will not only enjoy the shows, but you will be able to explore our host city, Tallahassee. There are many things to explore: Florida State Capitol, Mission San Luis, Tallahassee Museum, Alfred B. Maclay Gardens State Park, Florida Governor's Mansion, Tallahassee Automobile Museum, and countless other staples of the "big bend" of Florida.

If you see Mrs. Elizabeth Greenman (owner of Misty Lakes) throughout the weekend, please offer her your gratitude for usage of her private property to host this wonderful show. Without her open arms this venue would not have been possible.

Judge Uli Nomis

FCI - Denmark

My name is Uli Nomis, I am 51 years old from Denmark. My dog career started in 1989, when my twin sister purchased a Rottweiler, which I had the pleasure of training and showing. He became a National Show Champion and IPO3 with several good working results. With him I started a life with and around dogs, primarily Rottweilers. I had my first litter in 1997 and received my kennel prefix "Von Hause Nomis" in 2003. So far, I have had 22 litters of Rottweiler. My main priority as a breeder is to maintain a complete Rottweiler, who can do both work and show, and who is a good companion and family dog. I have had the pleasure of breeding several dogs, attending the IFR world championships, all with the grading Excellent in shows also, several show Champions and dog of the year in Denmark. Now I have a 9.5-year-old female: Mekla Von Hause Nomis BH, Danish GK, Danish Show Champion, and she has the company of a small terrier mix Osvald, 14 years old. In 2019, I was co-organizer of the IFR World championship and Anniversary show hosted by my local Rottweiler club in Odense – Denmark. I am an experienced ring secretary for the Danish Kennel Club and had the honor of obtaining my approval as FCI judge for Rottweilers in 2018. Now also adding Tibetan Mastiff, Old English Bulldog and soon also Bernese Mountain dog to my resume. I would like to thank the URKA Inc. for the invitation and I am looking forward to celebrating my favorite breed, the Rottweiler.

Judge Sonia Kelveri-Philippou

FCI - Cyprus

Languages: Cypriot, Greek, English, French, Italian etc. Involved in Canine and Equestrian activities since childhood until today. Owned her own first dog, a GSD, in 1979 when studying in France and then also involved in Shar Pei in UK. Her first judging appointment was in 1992 in U.K. In 2013 she became an all rounder. She is also a trial judge and a working judge. Since 1995 permanently lives in Cyprus and bred Mini Pinschers under the affix 'Kelkyon" and Rottweilers with her husband (under the affix Mount Olympus "). Produced and owned many Champions and International Champions and winners of many prestigious shows. Involved in many breed clubs and supports all canine activities all over the island. From 2002 to 2006 she was the elected Secretary General of the Cyprus Kennel club and for many years she was the secretary of the Pointing club of Cyprus, also of the Small breed club of Cyprus as well a founder member & Secretary of the Rottweiler Club of Cyprus. In 2003 she created the Cynology College of the C.K.C. She has also founded in 2003, the Mediterranean Winner show. Currently she is the secretary of Mount Olympus working club. She encourages junior handlers and runs sessions for children and junior handling as she strongly believes that this is the future of cynology in Cyprus. The last years was in charge of the Judge's committee and the Canine Cynology College of Cyprus Kennel Club. Currently she is breeding Rottweilers in co-ownership with the " Vom Zecwald " kennel in Serbia.

Puppy Classes

4-6 month Male/Female

6-9 month Male/Female

Youth Classes

Youth I 9-15 month Male/Female

Youth II 12-18 month Male/Female

Adult Classes

Intermediate Classes 15-24 month Male/Female

Open Male/Female: 15 months and older without an IPO or a Championship title.

Champion Male/Female: Over 15 months with a Championship title from URKA/RKNA, AKC, CKC, International FCI Champions and any Champion of Record. Copies of Championship must be submitted with the entry and originals must be made available at the show.

Working Male/Female: 18 months & older with an IPO title. Copy of IPO title must be submitted with the entry and originals must be made available at the show.

Veteran Male/Female: 8 years or older the day of the show.

Brood Bitch: Must be entered by the owner of the brood bitch. If not entered in regular class, must present three show rating showing full dentition and must have two progeny entered into regular classes.

Stud Dog: Must be entered by the owner of the stud dog. If not entered in regular class, must present three show ratings showing full dentition and must have two progeny entered in regular classes.

Kennel Class: Must be entered by the kennel owner. Three or more dogs bred by the kennel owner & registered with the kennel name of the entrant. All dogs must be entered in the show's regular classes. The kennel owner need not be the owner of all the dogs.

Exhibition: Exhibition Classes are for critique only. This class is open to Rottweilers with a disqualifying fault or who are spayed or neutered. Puppies too young to enter regular puppy class can enter exhibition class if puppy has a proof of registration. No ratings or placements are to be awarded. Dogs are critiqued with fault(s) noted. This class is for educational purposes only.

North Florida Rottweiler Klub

URKA Championship Program

URKA Inc. ELITE CHAMPION PROGRAM

This award was revised in 2016 to match the requirements from the ADRK for URKA member dogs to enter the ADRK Klub Sieger. Two points will be available each URKA show. To attain the Elite Championship title, a dog must earn 4 points from URKA Inc. shows as follows:

1 point Best of Breed, 1 point Best of Opposite Sex

The 4 points must be earned under 3 different judges.

The points must be earned during a period greater than 12 months.

The dog must be entered in the adult classes, Intermediate and up.

URKA Inc. ADULT CHAMPIONSHIP PROGRAM

Applications for the URKA Championship titles may be made to the Community Affairs Committee. Copies of proof of points must be included. To attain the URKA Championship title, a member's dog must achieve five (5) total points.

One point must be earned from a V1 rating at a URKA show from the adult classes.

One point must be earned as a result of obtaining the URKA Inc, (SE) ADRK (BSE) and Ztp

Additional points may be obtained by the following:

1 point V1 rating at any URKA show

1 point URKA Best Adult Male/Female, Best Youth Male/Female Klub Sieger/in, Youth Sieger/in, Best of Breed, Best of Opposite Sex.

1 point BH title

2 points ZTP (URKA or ADRK - only one Ztp may be counted for points)

2 points IPO 1 title

Executive Board voted and approved a motion by President Susan Peyton Spring 2017 that the CH program must include the SE as a mandatory one point.

URKA Inc. YOUTH CHAMPION PROGRAM

Youth Champion points are available at each URKA Inc. show.

To attain the URKA Inc. Youth Championship title, a dog must earn 3 points from URKA Inc. shows. Points can be earned as follows:

1 point earned for each V1 rating awarded from the youth classes.

1 point earned by achieving the Best Youth Award (amended Oct 01, 2019)

The points must be earned under 2 different judges.

Last updated Oct 2019

North Florida Rottweiler Klub

URKA Championship Program

The SE (Standard Evaluation)

is not a breed test. URKA Inc. encourages all breeders to place SE on their breeding stock as URKA Inc. believes breeders should know the measurements of dogs they are breeding as well as eye colour. The SE ensures the dog has a passing hip and elbow rating, JLPP tested and is free of disqualifying fault under FCI standard. Puppy buyers are encouraged to only purchase pups whose parents possess either a SE or a Ztp. **The dog must have a passing hip and elbow rating, have been tested for JLPP and have permanent identification (tattoo or microchip).** Once the conformation and soundness qualifications have been met, the dog's traffic sureness is tested. This test includes a gun sureness test and a test to ensure the dog is stable around the public. If a dog has a SE and loses a tooth, the dog may still be bred and may also attempt the Ztp.

The Ztp (Zuchtauglichkeitsprüfung)

is designed to select those Rottweilers who are worthy of being bred. The dog's conformation must be judged of breeding quality and free of disqualifying faults. **The dog must have a passing hip and elbow rating, have been tested for JLPP and have permanent identification (tattoo or microchip).** Once the conformation and soundness qualifications have been met, the dog's temperament is tested. This test includes a gun sureness test, a protection test, and a test to ensure the dog is stable around the public. The Rottweiler Klub of North America Inc. strongly believes that these tests are vital to maintaining the Rottweiler in type and temperament and should be the foundation of any breeding program.

Gekört is designed

to select those Rottweilers who are the best dogs in order to improve the overall qualities of the Rottweiler. Males must be IGP 3 and females IGP 1, must have an AD and three show ratings under two different judges of SG or better. The protection routine shall be the FCI IGP 3 protection routine. The IGP rule book can be downloaded from the URKA Inc. website.

The Gekört bis EzA

may be attempted 24 months after a dog has earned the Gekört is the highest breed suitability title available and is the lifetime breed suitability test. A dog must have sired/whelped two litters where all offspring are free of disqualifying fault according to FCI standard.

Working Class

To compete in this class a dog must have earned an IPO/IGP title. International Prüfungsordnung (IPO) is an internationally recognized temperament test for the working breeds. The dog must pass a tracking test, an obedience test and a protection test. The exercises in all three phases of the tests are designed to demonstrate the dog's natural drive to work for a handler as well as the strength of character that it takes to have those drives molded into a disciplined behavior. It is the goal of the Rottweiler Klub of North America Inc. to promote the working Rottweiler through the IGP sport.

FCI-Standard N° 147

Rottweiler

TRANSLATION: Mrs. Chris Seidler. Revised by Peter Friedrich.

ORIGIN: Germany.

DATE OF PUBLICATION OF THE ORIGINAL VALID

STANDARD: 15.06.2018.

UTILIZATION: Companion, service and working dog.

FCI-CLASSIFICATION:

Group 2 Pinscher and Schnauzer type, Molossian,
Swiss Mountain and Cattle Dogs.

Section 2.1 Molossian type, Mastiff type.

With working trial.

BRIEF HISTORICAL SUMMARY: The Rottweiler is considered to be one of the oldest dog breeds. Its origin goes back to Roman times. These dogs were kept as herder or driving dogs. They marched over the Alps with the Roman legions, protecting the humans and driving their cattle. In the region of Rottweil, these dogs met and mixed with the native dogs in a natural crossing. The main task of the Rottweiler now became the driving and guarding of the herds of cattle and the defence of their masters and their property. This breed acquired its name from the old free city of Rottweil and was known as the "Rottweil butcher's dog". The butchers bred this type of dog purely for performance and usefulness. In due course, a first rate watch and driving dog evolved which could also be used as a draught dog. When, at the beginning of the twentieth century, various breeds were needed for police service, the Rottweiler was amongst those tested. It soon became evident that the breed was highly suitable for the tasks set by police service and therefore they were officially recognized as police dogs in 1910.

Rottweiler breeders aim at a dog of abundant strength, black coated with clearly defined rich tan markings, whose powerful appearance does not lack nobility and which is exceptionally well suited to being a companion, service, **rescue** and working dog.

GENERAL APPEARANCE: The Rottweiler is a medium to large size, stalwart dog, neither heavy nor light and neither leggy nor weedy. His correctly proportioned, compact and powerful build leads to the conclusion of great strength, agility and endurance.

IMPORTANT PROPORTIONS: The length of the body, measured from the point of the sternum (breast-bone) to the ischiatic tuberosity, should not exceed the height at the withers by, at most, 15%.

BEHAVIOUR / TEMPERAMENT: The Rottweiler is good-natured, placid in basic disposition, very devoted, obedient, biddable and eager to work. His appearance is natural and rustic, his behaviour self-assured, steady and fearless. He reacts to his surroundings with great alertness **and at the same time even-tempered.**

HEAD

CRANIAL REGION:

Skull: Of medium length, **relatively** broad between the ears.

Forehead line moderately arched as seen from the side. Occipital bone well developed without being conspicuous.

Stop: Stop relatively strong. Frontal groove not too deep.

FACIAL REGION:

Nose: Well developed, more broad than round with relatively large nostrils, always black.

Muzzle: The foreface should appear neither elongated nor shortened in relation to the cranial region.

The ratio between the length of the muzzle and the length of the skull is about 1 to 1,5. Straight nasal bridge, broad at base, moderately tapered.

Lips: Black, close fitting, corner of the mouth not visible, gum as dark as possible.

Jaws/Teeth: Upper and lower jaw strong and broad. Strong, complete dentition (42 teeth) with scissor bite, the upper incisors closely overlapping the lower incisors.

Cheeks: Zygomatic arches pronounced.

Eyes: Of medium size, almond-shaped, dark brown in colour.

Eyelids: close fitting.

Ears: Medium-sized, pendant, triangular, wide apart, set on high. With the ears laid forward close to the head, the skull appears to be broadened.

NECK: Strong, of fair length, well muscled, slightly arched, clean, free from throatiness, without **excessive** dewlap.

BODY:

Back: Straight, strong, firm.

Loins: Short, strong and deep.

Croup: Broad, of medium length, slightly rounded. Neither flat nor falling away.

Chest: Roomy, broad and deep (approximately 50% of the shoulder height) with well developed forechest and well sprung ribs.

Belly: Flanks not tucked up.

TAIL: In natural condition, strong, level in extension of the upper line; **while paying attention, when excited or while moving it can be carried upward in a light curve;** at ease may be hanging. **While positioned along the leg, the tail reaches approximately to the hocks or is a bit longer.**

LIMBS

FOREQUARTERS: Seen from the front, the front legs are straight and not placed too closely to each other. The forearm, seen from the side, stands straight and vertical. The slope of the shoulder blade is about 45 degrees to the horizontal.

Shoulders: Well laid back.

Upper arm: Close fitting to the body.

Forearm: Strongly developed and muscular.

Pasterns: Slightly springy, strong, not steep.

Front feet: Round, tight and well arched; pads hard; nails short, black and strong.

HINDQUARTERS: Seen from behind, legs straight and not too close together. When standing free, obtuse angles are formed between the dog's upper thigh and the hip bone, the upper thigh and the lower thigh, and the lower thigh and metatarsal.

Upper thigh: Moderately long, broad and strongly muscled.

FCI Standard Exert

Lower thigh: Long, strongly and broadly muscled, sinewy.

Hocks: Sturdy, well angulated hocks; not steep.

Hindfeet: Slightly longer than the front feet. Toes strong, arched, as tight as front feet.

GAIT: The Rottweiler is a trotting dog. In movement the back remains firm and relatively stable. Movement harmonious, steady, full of energy and unrestricted, with good stride.

SKIN: Skin on the head: overall tight fitting. When the dog is alert, the forehead may be slightly wrinkled.

COAT

HAIR: The coat consists of a top coat and an undercoat. The top coat is of medium length, coarse, dense and flat. The undercoat must not show through the top coat. The hair is a little longer on the hindlegs.

COLOUR: Black with clearly defined markings of a rich tan on the cheeks, muzzle, throat, chest and legs, as well as over both eyes and under the base of the tail.

SIZE AND WEIGHT:

Height at withers: For males is 61 - 68 cm.

61 - 62 cm is small 63 - 64 cm medium height.

65 - 66 cm is large - correct height 67 - 68 cm very large.

Weight: 50 kg.

Height at withers: For bitches is 56 - 63 cm.

56 - 57 cm is small 58 - 59 cm medium height.

60 - 61 cm is large - correct height 62 - 63 cm very large.

Weight: Approximately 42 kg.

FAULTS: Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

- General appearance: Light, weedy, leggy appearance. Light in bone and muscle.
- Head: Hound-type head. Narrow, light, too short, long, coarse **or excessively molossoid head; excessively broad skull**, (lack of stop, too little stop **or too strong stop**). **Very deep frontal groove**.
- Foreface: Long, pointed **or too short muzzle (any muzzle shorter than 40 percent of the length of the head is too short)**; split nose; Roman nose (convex nasal bridge) or dish-faced (concave nasal bridge); acquiline nose; pale or spotted nose (butterfly nose).
- Lips: Pendulous, pink or patchy; corner of lips visible.
- Jaws: Narrow lower jaw.
- Bite: Pincer bite. **Molars of the underjaw not standing in one line**.
- Cheeks: Strongly protruding.
- Eyes: Light, deep set. Also too full and round eyes; loose eyelids.
- Ears: Set on too low **or too high**, heavy, long, slack or turned backwards. Also flying ears or ears not carried symmetrically.
- Neck: Too long, thin, lacking muscle. Showing dewlap or throaty.
- Body: Too long, too short or too narrow.
- Back: Too long, weak; sway back or roach back.
- Croup: Too sloping, too short, too flat or too long.
- Chest: Flat-ribbed or barrel-shaped. Too narrow behind.

- Tail: Set on too high or too low.
- Forequarters: Narrow, crooked **or not parallel standing** front legs. Steep shoulder placement. Loose or out at elbow. Too long, too short or too straight in upper arm. Weak or steep pastern. Splayed feet. Too flat or too arched toes. Deformed toes. Light coloured nails.
- Hindquarters: Flat thighs, hocks too close, cow hocks or barrel hocks. Joints with too little or too much angulation. Dewclaws.
- Skin: Wrinkles on head.
- Coat: Soft, too short or long. Wavy coat; lack of undercoat.
- Colour: Markings of incorrect colour, not clearly defined. Markings which are too spread out.

SEVERE FAULTS:

- General appearance: **Too molossoid type and heavy general appearance.**
- Skin: **Skin at the head strongly wrinkled, strong wrinkles in the area of the forehead, the muzzle and the cheeks, strong dewlap.**
- Gait: **Sluggish action while trotting.**

DISQUALIFYING FAULTS:

- Aggressive or overly shy dogs.
- Any dog clearly showing physical or behavioural abnormalities shall be disqualified.
- Behaviour: **Anxious, shy, cowardly, gun-shy, vicious, excessively suspicious, nervous animals.**
- General appearance: Distinct reversal of sexual type, i.e. feminine dogs or masculine bitches.
- Teeth: Overshot or undershot bite, wry mouth; lack of one incisive tooth, one canine, one premolar or one molar.
- Eyes: Entropion, ectropion, yellow eyes, different coloured eyes.
- Tail: Kink tail, ring-tail, with strong lateral deviation, **natural bobtail**.
- Hair: Definitely long or wavy coat.
- Colour: Dogs which do not show the typical Rottweiler colouring of black with tan markings. White markings.

N.B.:

- Male animals should have two apparently normal testicles fully descended into the scrotum.
- Only functionally and clinically healthy dogs, with breed typical conformation, should be used for breeding.

The latest amendments are in bold characters.

Standard Evaluations (SE)

URKA Standard Evaluation Title (SE): The URKA SE title is not a breed test title as it is a certified conformation analysis and consists of measurement, grading of eye color, dentition check and show critique. The dog's conformation must be judged of breeding quality and free of disqualifying faults. The owner must provide a weight certificate signed by a vet within 20 days prior to the test. The dog must have a passing hip and elbow rating, have been tested for JLPP and have permanent identification (tattoo or microchip). The Rottweiler is assessed for conformation and soundness.

The test includes everything on the dog being measured or evaluated, including: height at wither, body length, muzzle, chest depth, chest circumference, skull, eye color, bite and dentition, bone strength, head shape, cheek bone, and general behavior.

- I. Dog will be weighed, measured and critiqued. A weight (issued within 20 days of the test) may be substituted for weighing the dog if no scale is available. Character traits of the dog become more or less apparent during the weighing and measuring process.
- II. The tattoo or microchip number shall be read out loud as part of the measuring and critique.
- III. The following test will be done to establish the interaction in a group and sensitivity to noise:
 - a. The Group. The handler with dog on leash walks through a group of five to eight people. The handler and dog return to the center of the group where the dog sits. The group, when instructed by the judge, converges on the dog and handler and remains there until told by the judge to disperse.
 - b. The Gun. The handler and dog walk away from the judge. At a distance of fifteen paces, a 22 short blank starter pistol or its equivalent is fired twice with a short interval in between each shot. Should the dog have a reaction to the gunfire, this exercise may be varied and repeated at the judge's discretion. If the dog continues to show a strong reaction to gunfire, the test is stopped and the dog does not pass.

Original paperwork must be presented to Show Secretary upon registration at show. This includes registration papers and health certification papers. If titles are to be recorded on the Standard Evaluation, proof of titles must be shown (score book and current membership card from organization to the score book is held with, title certificates, etc.).

CHAMPIONS PRODUCING CHAMPIONS

Mexican Klub Sieger Best of Breed '19 & Italian Klub Sieger Winner '19
Micro vom Hause Andronico

IGP I, BH, HD A, ED 1, HEART CLEAR, JLPP N/M

MICRO

is a Multi V1, Multi Youth Sieger and
Multi BOB Winner with a Magnificent Pedigree.

He is the son of Italian Klub Sieger '18, & Champion Romeo vom Engelblick and the grandson of French KJS'16 & Vice Lithuanian KJS'16 Ch. Ok Boy del Vecchio Rott and the grandson of World Youth Ch'14 & Italian Ch. Vikko della Val di Noto, who was also the 2014 ADRK Klub Sieger Ausland Jugend Sieger, and was ADRK Welt Jugend Sieger in 2014.

Micro's sister was V1 at the 2019 ADRK World Sieger Show in the Hündin Junior II class and was Vice World Youth Siegerin. Micro was V6 at the 2019 ADRK World Sieger Show.

Micro will be an excellent stud dog here in the United States. Micro's inbreeding coefficient 0% in the first 5 generations of his pedigree and his Ancestor loss coefficient is a 97% make him an exceptional breeding partner with any blood.
