Tailed and Docked dogs are welcome  
Jedd Park, Akron, Ohio

Event sanctioning by URKA

# Change of Judge Notification

Due to unforeseen circumstance Suncica Lazic  
was not able to fly to the USA.

**ULI NOMIS (FCI - Denmark) has graciously agreed  
to judge for the event on short notice.**

URKA Inc. Klubsieger show, Breed Show, SE ZTP Korung  
Oct 22—23, 2022 Akron Ohio.

A SPECIAL THANK YOU TO ULI NOMIS!!! Within hours noticed Uli agreed to Judge and headed to the airport to officiate at the event.

## **Judge Uli Nomis**

FCI - Denmark

My name is Uli Nomis, I am 51 years old from Denmark. My dog career started in 1989, when my twin sister purchased a Rottweiler, which I had the pleasure of training and showing. He became a National Show Champion and IPO3 with several good working results. With him I started a life with and around dogs, primarily Rottweilers. I had my first litter in 1997 and received my kennel prefix "Von Hause Nomis" in 2003. So far, I have had 22 litters of Rottweiler. My main priority as a breeder is to maintain a complete Rottweiler, who can do both work and show, and who is a good companion and family dog. I have had the pleasure of breeding several dogs, attending the IFR world championships, all with the grading Excellent in shows also, several show Champions and dog of the year in Denmark. Now I have a 9.5-year-old female: Mekla Von Hause Nomis BH, Danish GK, Danish Show Champion, and she has the company of a small terrier mix Osvald, 14 years old. In 2019, I was co-organizer of the IFR World championship and Anniversary show hosted by my local Rottweiler club in Odense – Denmark. I am an experienced ring secretary for the Danish Kennel Club and had the honor of obtaining my approval as FCI judge for Rottweilers in 2018. Now also adding Tibetan terrier, Old English Bulldog and soon also Bernese Mountain dog to my resume. I would like to thank the URKA Inc. for the invitation and I am looking forward to celebrating my favorite breed, the Rottweiler.

**Welcome judge  
Prof. Dr. Peter Friedrich  
(FCI ADRK)**

Peter Friedrich, born in 1958 in Mainz/Germany, started training dogs in the field of Schutzhund/IPO-trials and tracking trials in the year 1970. He joined the Allgemeiner Deutscher Rottweiler Klub in the year 1980, worked almost daily

for more than 25 years as a helper in protection work and is a member of the Rottweiler kennel "vom Sternbogen". His best results with self-trained Rottweilers have been 297 points in IPO3 and 100 points in FH2. He received a working judge license in the year 1990. He also owned and presented Staffordshire Bullterriers. In teamwork with his wife Heide, who is the owner of the kennel Tahuara's, he breeds Greyhounds and Sloughis today. In 2008 he became a breed judge and is judging several breeds of the groups 1, 2, 3, 5 and 10 at the moment. He is constantly being asked to judge the biggest Rottweiler Sieger shows and trials all over the world. Since 2009 he is the president of the Verband für das Deutsche Hundewesen (VDH – German Kennel Club). Since 2017 he is a member of the Standards Commission of the FCI. Peter has been judging in more than forty countries distributed over all five continents. Peter is also an ADRK Koermeister (highest level of judge in ADRK). We are very honored to have Peter here with us again.

# WELCOME!

Welcome everybody! It's been 3 years since our last events due to Covid, so I really am glad to see people come back to our events! Thank you for coming and supporting us.

I want to especially thank our judges for coming- Prof. Dr. Peter Friedrich (FCI ADRK, Koermeister, and VDH President) and Suncica Lazic (FCI Serbia). Thank you for coming all the way to Akron, Ohio to judge for us and share your knowledge.

A special thank you to Sue Bower Weghorst with handling the verification of the entries this year. It's a HUGE amount of work and I thank her immensely. We've had some good laughs along the way. Also thank you to other board members Audra Sinclair and Christina Meacham for all their valuable help. Also, thank you to Chris Mandela for helping us in many areas... typing, Trial Secretary, document generating and much more.

Thank you to our (helping wherever needed) friends Owen and his wife Christie, and to Dan McCallion (who also helped with running).

Thank you to every one who has sponsored trophies (there's another thank you page for them), or bought a catalog, catalog ad, t-shirt, or bought a ticket for our judge's dinner/seminar.

Thank you to Park Manager Keith Fox and his wife Alexa for "volunteering" each year to cook all the food and to help with setup.

Thank you to our sponsors Fromm Dog Food, the Rottweiler Coffee Company, WT-Metall dog trailer and dog equipment, Auntie Em's Cookies, and Chris Dodson.

Thank you to Gerard O'Shea for donating a signed copy of his very popular new book for our raffle.

We have truly enjoyed bringing these events to the Rottweiler community.

Thank you EVERYBODY and I wish GOOD LUCK to everybody showing their dogs.

Thank you to EVERYBODY that has supported us again to consistently make our events one of the top ones in North America.

Skip Morgart

President, Rottweiler Klub of Northeast Ohio (RKNO)

Thank you for your support!!

# URKA Inc. “Champion” Programs

**ELITE Championship** award revised in 2016 to match the requirements from the ADRK for URKA member dogs to enter the ADRK Klub Sieger.

Two points will be available each URKA show. To attain the URKA Elite Championship title, a dog must earn 4 points from URKA shows as follows:

- A. 1 point Best of Breed, 1 point Best of Opposite Sex
- B. The 4 points must be earned under 3 different judges.
- C. The points must be earned during a period greater than 12 months.
- D. The dog must be entered in the adult classes.

**ADULT Championship** titles may be made to the Community Affairs Committee. Copies of proof of points must be included. To attain the URKA Inc. Championship title, a member’s dog must achieve five (5) total points

- Mandatory 1 Point must be earned from a V1 rating at a URKA Inc. show from the adult classes.
- Mandatory 1 Point URKA Standard Evaluation (SE) or ADRK BSE *when obtained at an URKA event.* or URKA ZTP or ADRK ZTP (two points will be counted)

**Additional points can be earned in the following ways:**

- 1 point V1 rating at any URKA Inc. show
- 1 point Best Adult Male/Female, Klub Sieger/in, Youth Sieger, Youth Siegerin, Best Youth, Male/Female
- 1 point Best of Breed, Best Opposite Sex.
- 1 point SE title
- 1 point BH title
- 2 points Ztp (URKA Inc. or ADRK – only one Ztp may be counted for points)
- 2 points IGP 1 title
  - NEW - 1 point can be achieved by obtaining an AIRK and USRC ZTPs – (1 point only). Requirements are as follows the ZTP is completed to passing under an ADRK Judge the IPO 1/ADRK ZTP amended routine July of 2022 is followed and all other elements as per our policy match. The URKA ZTP program is the same as the ADRK program. The non-URKA ZTP procedure of verification would include providing a full video of the complete routine to be examined by a URKA Judge, IPO Committee Chair, or other as deemed suitable by the EB. ZTP passing documentation is equal to the URKA ZTP form. A certificate of passing will not suffice. (updated April 2022 EB vote)

**YOUTH Championship** points are available at each URKA Inc. show. To attain the URKA Inc. Youth Championship title, a dog must earn 3 points from club shows as follows:

- A. 1 point earned for each V1 rating awarded from the youth classes.
- B. 1 point earned for Best Youth award (Updated Oct 2019)
- B. The points must be earned under 2 different judges.

Selected from all first place class dogs. Males will be awarded first followed by Females by Judges A and B.

Best of Breed and Best of Opposite Sex will be judged by the JUDGE who has **Judged the Males on that day.**

**BEST Youth male and female – BEST Adult male and female are eligible to be judged for BOB and BOS.**

# Rottweiler

**TRANSLATION:** Mrs. Chris Seidler. Revised by Peter Friedrich.

**ORIGIN:** Germany.

**DATE OF PUBLICATION OF THE ORIGINAL VALID**

**STANDARD:** 15.06.2018.

**UTILIZATION:** Companion, service and working dog.

**FCI-CLASSIFICATION:**

Group 2 Pinscher and Schnauzer type, Molossian,  
Swiss Mountain and Cattle Dogs.

Section 2.1 Molossian type, Mastiff type.

With working trial.

**BRIEF HISTORICAL SUMMARY:** The Rottweiler is considered to be one of the oldest dog breeds. Its origin goes back to Roman times. These dogs were kept as herder or driving dogs. They marched over the Alps with the Roman legions, protecting the humans and driving their cattle. In the region of Rottweil, these dogs met and mixed with the native dogs in a natural crossing. The main task of the Rottweiler now became the driving and guarding of the herds of cattle and the defence of their masters and their property. This breed acquired its name from the old free city of Rottweil and was known as the "Rottweil butcher's dog". The butchers bred this type of dog purely for performance and usefulness. In due course, a first rate watch and driving dog evolved which could also be used as a draught dog. When, at the beginning of the twentieth century, various breeds were needed for police service, the Rottweiler was amongst those tested. It soon became evident that the breed was highly suitable for the tasks set by police service and therefore they were officially recognized as police dogs in 1910.

Rottweiler breeders aim at a dog of abundant strength, black coated with clearly defined rich tan markings, whose powerful appearance does not lack nobility and which is exceptionally well suited to being a companion, service, **rescue** and working dog.

**GENERAL APPEARANCE:** The Rottweiler is a medium to large size, stalwart dog, neither heavy nor light and neither leggy nor weedy. His correctly proportioned, compact and powerful build leads to the conclusion of great strength, agility and endurance.

**IMPORTANT PROPORTIONS:** The length of the body, measured from the point of the sternum (breast-bone) to the ischiatic tuberosity, should not exceed the height at the withers by, at most, 15%.

**BEHAVIOUR / TEMPERAMENT:** The Rottweiler is good-natured, placid in basic disposition, very devoted, obedient, biddable and eager to work. His appearance is natural and rustic, his behaviour self-assured, steady and fearless. He reacts to his surroundings with great alertness **and at the same time even-tempered.**

## HEAD

**CRANIAL REGION:**

**Skull:** Of medium length, **relatively** broad between the ears. Forehead line moderately arched as seen from the side. Occipital bone well developed without being conspicuous.

**Stop:** **Stop relatively strong. Frontal groove not too deep.**

**FACIAL REGION:**

**Nose:** Well developed, more broad than round with relatively large nostrils, always black.

**Muzzle:** The foreface should appear neither elongated nor shortened in relation to the cranial region.

**The ratio between the length of the muzzle and the length of the skull is about 1 to 1,5.** Straight nasal bridge, broad at base, moderately tapered.

**Lips:** Black, close fitting, corner of the mouth not visible, gum as dark as possible.

**Jaws/Teeth:** Upper and lower jaw strong and broad. Strong, complete dentition (42 teeth) with scissor bite, the upper incisors closely overlapping the lower incisors.

**Cheeks:** Zygomatic arches pronounced.

**Eyes:** Of medium size, almond-shaped, dark brown in colour.

**Eyelids:** Close fitting.

**Ears:** Medium-sized, pendant, triangular, wide apart, set on high. With the ears laid forward close to the head, the skull appears to be broadened.

**NECK:** Strong, of fair length, well muscled, slightly arched, clean, free from throatiness, without **excessive** dewlap.

**BODY:**

**Back:** Straight, strong, firm.

**Loins:** Short, strong and deep.

**Croup:** Broad, of medium length, slightly rounded. Neither flat nor falling away.

**Chest:** Roomy, broad and deep (approximately 50% of the shoulder height) with well developed forechest and well sprung ribs.

**Belly:** Flanks not tucked up.

**TAIL:** In natural condition, strong, level in extension of the upper line; **while paying attention, when excited or while moving it can be carried upward in a light curve;** at ease may be hanging. **While positioned along the leg, the tail reaches approximately to the hocks or is a bit longer.**

**LIMBS**

**FOREQUARTERS:** Seen from the front, the front legs are straight and not placed too closely to each other. The forearm, seen from the side, stands straight and vertical. The slope of the shoulder blade is about 45 degrees to the horizontal.

**Shoulders:** Well laid back.

**Upper arm:** Close fitting to the body.

**Forearm:** Strongly developed and muscular.

**Pasterns:** Slightly springy, strong, not steep.

**Front feet:** Round, tight and well arched; pads hard; nails short, black and strong.

**HINDQUARTERS:** Seen from behind, legs straight and not too close together. When standing free, obtuse angles are formed between the dog's upper thigh and the hip bone, the upper thigh and the lower thigh, and the lower thigh and metatarsal.

**Upper thigh:** Moderately long, broad and strongly muscled.

- This is a German style Sieger show.
- The event is being held outdoors, rain or shine.
- All dogs must be shown on a fur saver collar (no flat, pinch or choke collars).
- Dogs are shown in natural stance; no hand stacking is allowed. No food is allowed in the ring or as bait; toys may be used at the Judge's discretion. Double handling is encouraged. **The use of any IGP training and protection equipment is forbidden from being used while baiting dogs during shows, SE or ZTP. (ie: bite sleeves, whips or other forms of agitation equipment).**
- No dogs are allowed to be tied out at the show site or ringside.
- No dogs are allowed to be crated near the ring.
- Please use designated areas to exercise your dogs and clean up after them.
- Adult classes will be moved long enough for the judge to evaluate the movement.
- Your dog should know to show bite; sides, front and open wide.
- The dog must allow the judge to touch genitals and tail while standing.

## **Section 18B DQ – Pulled – Excused - Absent Defined**

### **DQ – Disqualified by the Judge**

Dog HAS checked in Dog HAS entered the ring

- If the DQ is for aggression or temperament, the critique ends at that point and dog leaves the ring.
- If the DQ is for reasons other than aggression or temperament (for example, missing tooth), at Judge's discretion the critique may continue as exhibition only for learning purposes of the exhibitor.
  - Critique IS completed at Judge's discretion *OR* to point of disqualification. Reason for disqualification is entered on the critique and the rating box is marked as DQ.

### **Pulled = Dog is not presented for Judging**

Dog HAS checked in. Dog HAS NOT entered the ring *OR* Dog HAS entered the ring. Dog HAS NOT been presented to the Judge

- The owner may pull the dog at their discretion.
- Examples of reasons for pulling are: dog is limping, dog shows temperament not ideal for showing on that day, or illness.
  - Critique IS NOT completed. Critique states only that owner pulled and reason if given and the rating box is marked as **Pulled**.

### **Excused = Excused by the Judge**

Dog HAS entered the ring Dog MAY *or* MAY NOT have been presented to the judge at the time of being excused

- Examples of reasons for being excused are: Judge cannot complete evaluation due to behavior, handler behavior, a temporary condition of the dog (if the dog has a limp the critique can continue except for movement), or Judge's discretion.
- This rating is also to be given if traces of operations or treatment can be observed which seems to indicate that the exhibitor wanted to deceive the judge. The same applies if the judge has ample reason to suspect operations that were intended to correct the original condition or feature (e.g.: eyelid, ear or tail)
  - Critique IS completed at Judge's discretion *OR* to point where dog is excused Critique ends with "Excused" and the reason and the rating box is marked as Excused.

### **AB = Absent**

Dog HAS NOT checked in Dog HAS NOT entered the ring

### **Delayed = Late arriving dog**

If a dog that has been entered into the catalog arrived late to its class but was presented to the judge as per section 17. Dog is to be recorded on critique as delayed for arriving late.

# URKA Inc. "Health Certification" Program

URKA has developed a program to educate and encourage our members and supporters to strive to better the breed through health testing prior to breeding.

To achieve this, we have 4 levels of "URKA Health Tested Certification" awards available for individual dogs.

Members are encouraged to apply for an award certificate upon obtaining passing results.

URKA Health Tested Certification Awards are as follows:

	BRONZE	SILVER	GOLD	PLATINUM
HIPS	#####	#####	#####	#####
ELBOWS	#####	#####	#####	#####
JLPP	#####	#####	#####	#####
HEART		#####	#####	#####
EYES			#####	#####
SE/ZTP			#####	#####
ADDITIONAL				#####

**It is strongly encouraged that all members receive a ZTP or Standard Evaluation on their dogs when breeding is considered.**

[www.unitedROTTklub.com](http://www.unitedROTTklub.com)

[info@unitedROTTklub.com](mailto:info@unitedROTTklub.com)

**The SE (Standard Evaluation)** is not a breed test. URKA Inc. Encourages all breeders to place SE on their breeding stock as URKA Inc. believes breeders should know the measurements of dogs they are breeding as well as eye colour. The SE ensures the dog has a passing hip and elbow rating, JLPP tested and is free of disqualifying fault under FCI standard. Puppy buyers are encouraged to only purchase pups whose parents possess either a SE or a Ztp. The dog must have a passing hip and elbow rating, have been tested for JLPP and have permanent identification (tattoo or microchip). Once the conformation and soundness qualifications have been met, the dog's traffic sureness is tested. This test includes a gun sureness test and a test to ensure the dog is stable around the public. If a dog has a SE and loses a tooth, the dog may still be bred and may also attempt the Ztp.

**The Ztp (Zuchtauglichkeitsprüfung)** is designed to select those Rottweilers who are worthy of being bred. The dog's conformation must be judged of breeding quality and free of disqualifying faults. The dog must have a BH, passing hip and elbow rating, have been tested for JLPP and have permanent identification (tattoo or microchip). Once the conformation and soundness qualifications have been met, the dog's temperament is tested. This test includes a gun sureness test, a protection test, and a test to ensure the dog is stable around the public. The Rottweiler Klub of North America Inc. strongly believes that these tests are vital to maintaining the Rottweiler in type and temperament and should be the foundation of any breeding program.

**The KORUNG** – Gekört (title) is designed to select those Rottweilers who are the best dogs in order to improve the overall qualities of the Rottweiler. Males must be IGP 3 and females IGP 1, must have an AD and three show ratings under two different judges of SG or better. The protection routine shall be the FCI IGP 3 protection routine. The IGP rule book can be downloaded from the URKA Inc. website.

**The LIFETIME KORUNG** - Gekört bis EZA (title) may be attempted 24 months after a dog has earned the Gekört is the highest breed suitability title available and is the lifetime breed suitability test. A dog must have sired/whelped two litters where all offspring are free of disqualifying fault according to FCI standard.

***\*\*Korung is the event and the titles earned are Gekört and Gekört bis EZA\*\****

**Working Class** - to compete in this class a dog must have earned an IGP title which is an internationally recognized temperament test for the working breeds. The dog must pass a tracking test, an obedience test and a protection test. The exercises in all three phases of the 4 tests are designed to demonstrate the dog's natural drive to work for a handler as well as the strength of character that it takes to have those drives molded into a disciplined behavior. It is the goal of the Rottweiler Klub of North America Inc. to promote the working Rottweiler through the IGP sport.
