

Route 66 Rottweiler Klub 2023 Fall Sieger Shows & SE

PONTIAC, IL

Fri.-Sat.-Sun., Sept. 29-30 & Oct. 1, 2023

Welcome to the Route 66 Fall 2023 Sieger Shows!!!

Our goal is to offer a warm and welcoming place for everyone who loves the Rottweiler to build friendships and share our knowledge for the betterment of the Rottweiler. We would like to ask of the participants here to help each other and to be the finest examples of sportsmanship so that everyone can have the most positive experience they can. We would like to thank our judges for coming to judge our shows and to offer all of us some of their vast amount of knowledge about Rottweilers. Please show our judges and other exhibitors' courtesy and respect at all times.

We will be taking a break for lunch about noon each day and there will be Jimmy John's sandwiches and drinks for sale. Also while the signs in the park say do not park on the grass, but please park far enough off the side of the road to not block the road. Restrooms are located in the center of the park. Also please keep your Rottweilers away from the show ring until they are to be shown. No dogs are allowed to be tied out or kept in a uncooled vehicle at any place in the park.

Due to our insurance absolutely any dog not entered in the show is allowed on the show grounds. I would also remind everyone handling a Rottweiler that they are responsible to control that Rottweiler both inside the ring and out. Due to our insurance any Rottweiler not under control or showing aggression at any time in/on the show ring/grounds will be removed from the show ring/grounds for the duration of the Fall 2023 show.

I hope that you will not only enjoy the shows but you will be able to explore our host city, Pontiac and my home town. There are many things to explore, the Route 66 Association of Illinois Hall of Fame and Museum, the Pontiac Oakland Automobile Museum, the Abraham Lincoln historical sites along with many other unique and interesting places to see.

One Breed - One Love - One Family

Lin Munari Tony Munari

Without the help of our Route 66 Rottweiler Klub members, we would not be able to host a Sieger Show. Thank You to all our Officers and Members.

I have been involved with Rottweilers all my life and cannot imagine my life without Rottweiler , I am owner of 4 Rottweilers. I am second generation of Rottweiler breeder and specialist Rottweiler judge.

I am owner of Rottweiler kennel ANNO 1986 : “is Rojaus Slenio” started by my parents, I am breeding “alone ” since 2000 . We count 9 generations in our female’s line. I breed very few litters 1-2 per year ,- with very serious ambitions and parent’s choice – this I love the most : to get and rise beautiful animal - is art.

The biggest pleasure to see my beautiful dogs not just in my kennel but around the world : great number of champions of many different countries and continents , International beauty champions, Best producers of Italy, Russia and Lithuania, World Winners, Club Winners were born in my kennel. I love to travel and show my dogs since early childhood, so I am handler too. All my family is passionate by Rottweilers, thanks to it I am:

President of Lithuania Rottweiler club 2008 – till present. Lithuania kennel union breeding committee board member Rottweiler club – responsible for breeding. Korung test judge.

I am honored to be IFR board member since 2011 – till present, and Editor for IFR magazine “The Rottweiler in the World” 2014-2019

I am happy to work for this great breed. I have been judged many different countries and continents. FCI Breed specialist judge since 2011. FCI International (CACIB) Rottweiler judge since 2016. I was honored to judge IFR World Winner specialty show in 2015 and had amazing opportunity to repeat it in 2019 IFR World Winner show in China.

Rottweiler is my life aim and passion, that is why I became FCI specialty Rottweiler judge to share my view of Rottweiler and to learn more from you. All my future life each day will be the lesson - to know Rottweiler breed closer and better : as judge, as breeder and as handler.

Erika Stepanauskiene

Dan Carlson—Biography—URKA Inc.

I am married to wife Carol Anne, and we have three grown children, with three grandchildren. We live in Langley, British Columbia, Canada, surrounded by lakes, ocean and mountains.

I retired after a career of 36 years with the Royal Canadian Mounted Police—Canada's National Police Force. Over those years, I was stationed in various places across Canada and served in a variety of sections.

I became heavily involved with Rottweilers in 1980. I worked my Rottweilers in the sport of Schutzhund and continued into the structural aspects in the Sieger show venue. I was a part of the group that formed the Fraser Valley Rottweiler Club, bringing the first recognized Sieger shows, with the assistance of the ADRK, to North America.

I was personally mentored by:
Former ADRK Head Trial and Training Director—Dieter Haspel
Former ADRK Head Sieger Show Judge—Willi Hedtke
Former ADRK Head Breed Warden—Helmut Freiburg

All my old and current dogs are all raised, trained and exhibited by myself. Some of my former and much-loved dogs are:

- **Trollegen's Berg** SchH3, TDX, CD, MRC Hall of Fame
All titles obtained in one calendar year of 1983
- Multi V-1 **Layla vom Hause Miles** SchH1, TD, AD, BH, FH, MRC Hall of Fame
1986 Canadian National Youth Siegerin—ADRK Judge Willi Hedtke
1988 Canadian National Siegerin—ADRK Judge Gerd Apel
1989 Canadian National Siegerin—ADRK Judge Hans Krings
1990 Canadian National Siegerin—ADRK Judge Erich Waldbrodt
- Multi V-1 **Volko von der Grumannsheide** SchH2, BH, ZTPR, TD (ADRK #66849)
1987 Canadian National Youth Sieger—ADRK Judge Klaus Altpeter
1992 Canadian National Sieger—ADRK Judge/Former IFR President Dieter Hoffman

I have the Canadian Kennel Club registered name **Silvermere** Rottweilers. I have produced Schutzhund titled dogs, Best Puppies in Sieger shows, Youth Sieger and Youth Siegerins in Sieger shows, V-1s and Select in Sieger shows under ADRK and FCI Judges.

I have completed many SCH, AD, and CKC/AKC tracking titles, plus Canadian Temperament Test, Canadian Good Citizen and Herding Instinct certification to show the various working attributes of Rottweilers.

Currently with having a career completed, retirement is allowing me to actively pursue my decades long passion of the Rottweiler breed. I strongly believe in balanced dogs having correct structure and working ability to create harmony.

I look forward to meeting new and old Rottw

Standard Evaluation Entry - Friday Sept 29

Pass 1. MEX KJS'19 Micro Vom Hause Andronico IGP 1, BH, CGC

STALTER ROTTWEILERS | MIKE, TOM & SARAH
WWW.STALTERROTTWEILERS.COM

Mex KS'19 Micro vom Hause Andronico

IGP I, BH, CGC, HD-A, ED-1, JLPP N/M

Multi V1 & Multi Sieger, UKC Champion & Group 1 Winner

Micro is shown here winning Best of Breed from the Amateur-Owner-Handler Class.

Micro is the son of Italian KlubSieger '18, & Champion Romeo vom Engelblick

Micro has a stable temperament and a clear head and beautiful heart. Micro can be around other dogs, large and small, and he can be shown in FCI and AKC shows, and he can go to the vet's office for any medical procedure and he always can be touched by judges, veterinarians, and regular people. Many Schutzhund (IGP) trained and titled Rottweilers don't have the correct Rottweiler temperament that Micro has.

Micro is one of the few Rottweilers that is a Best of Breed Winner in FCI & America Sieger Shows and in AKC & UKC Shows.

Micro is AKC Champion Pointed.

Micro has pups winning in AKC and Sieger Shows in the USA.

Micro is the only IGP titled owner handled Rottweiler to become a UKC Champion in 2023

About Us

We are a small, third generation, family business in Illinois, USA owned by veterinarian, Dr. Ted Lafeber. Along with a team of top veterinary professionals, nutritionists and rehabilitators, Dr. Lafeber was able to create a formula with optimal ingredients designed to help your dog live longer and stronger.

EmerAid foods are made in the countryside on Dr. Lafeber's great grandfather's farm. Everything is prepared in small batches, with human-grade and non-GMO ingredients, to ensure tight quality-control of our Life-Saving Nutrition.
