Hip and Elbow Ratings - OFA - ADRK - FCI

This chart was created to provide a visual aid for the understanding of OFA, ADRK and FCI Hip and Elbow ratings. Ratings from one organization to another will not necessarily correlate one to one.

This chart is intended to provide information on hip and elbow ratings necessary to enter SE, ZTP and Koerung to URKA Inc. show organizers and participants. It is not meant for breeding purposes.

URKA Inc. recommends that any dog with a lower acceptable rating should only be bred to a dog with a higher rating (i.e., ED++ should only be bred to ED- as per ADRK breeding rules).
